A Note From The Mayor

Hello Turner!

For the last five and a half years I've enjoyed the privilege of serving on Turner City Council. The last year and a half as Mayor. I want to thank the citizens of Turner for entrusting me with this great honor. I also would like to thank my Council colleagues for appointing me to the Mayor post after the unexpected resignation of Mayor Steve Horning.

After much thought I've decided to not run for reelection. After thirty one years of public service, I'm going to move on. During that time I've served and/or participated at the local, regional, state, federal and international levels.

It's been a great run and I appreciate the many opportunities I have been blessed with. My term ends December 31, 2026 Turner is a great little town and is very well managed.

I wish the next Mayor and Council all the best.
